Alignment Guidance

POLICY AND PROTOCOL

Protocol 7.0: District Structure, Section 1(D)

- The best interests of the clubs and District are taken into consideration when assigning clubs to Areas. Areas consist of four to six clubs; however, an Area may consist of three clubs on July 1 only when an effort to charter a fourth club is in process.
- Under no circumstances may an Area have more than six clubs on July 1. Advanced clubs may not be segregated into Areas. Areas may be segregated by language, subject to the approval of the District Council.
- Districts assign clubs to Areas based upon: Geographic proximity to other clubs. The ability of an Area Director to effectively provide service club size and strength (e.g., paid, active, disbanding) prospective clubs and expected growth. The likelihood of eligibility for Distinguished programs (e.g., club base of the Area or Division)
- A Division must have a minimum of three (3) Areas.

Toastmasters Club Status Guide

Prospect	Club is in the process of chartering.
Active	Eight or more members are paid for the current renewal period — at least three of whom are renewing members.
Low	Paid member count is fewer than eight.
Ineligible	Paid member count does not include three renewing members.
Suspended	Club has been low or ineligible for one full renewal period and must now be reinstated to prevent permanent closure.

New Guidance and Club Status Changes

- Six clubs became suspended on March 31, 2022
- Toastmasters International has clarified that suspended clubs are not to be included in the alignment plan
- The plan originally presented included those suspended clubs, so the original plan required modifications in order to comply with Protocol 7.0.

Strategies and Considerations

- Review Divisions for a minimum of 3 Areas with each Area containing 4 ***non-suspended*** clubs
- Review Divisions with more than 3 Areas that have reasonable geographic proximity to Divisions and Areas that are not meeting the minimum
- Reallocate clubs to retain 7 Divisions with a minimum of 3 Areas that each have a minimum of 4 non-suspended clubs
- Take no action where clubs have a status of Low or Ineligible at this time

Proposals

- Reallocate 3 clubs from E1 to A2 where there is reasonable geographic proximity and renumber E4 as E1
- Reallocate 3 in-person clubs from N4 to N3
- Move 2 online clubs, 1 to B1, and 1 to D1 to meet protocols

Recommendations

- The past 2 years have been tough, and clubs will continue to evolve
- There were 20 low, ineligible or suspended clubs when we pulled the club status from TI in early March.
- We're confident D35 leaders at all levels can help the remaining Clubs and Areas thrive and grow as people feel more comfortable engaging in personal development activities such as joining a local Toastmasters club.
