

District 35 Spring Business Meeting

Eastern Division Report - Christa Vanderheiden, DL5

Eastern Division has seen a drop in membership, but we are continuing to assist our clubs have a productive and successful year. As of April 14, here is where we stand:

Low Membership Renewals:

- E1 all 4 clubs have met the minimum of 8 members
- E2 - FDL has 5 renewing members. Paul, please keep me posted on this front as I know they are moving to fully virtual due to lack of in person attendance. --Johnsonville Toastmasters Club. Paul, thank you for the email updating me. I understand how long it takes for a Corporate club to pay its dues. They will be in good standing within the month.
- E3 Guardian Toastmasters is in the process of adding 4 new membersapplications coming in. Dues have been transferred over. Still recruiting. Very successful open house.
- E4 UW SP has one paid member renewing.

Club Visits:

E1 3 club visits left to log

E2 2 left to log

E3 all 5 left to log

E4 All club visits have been conducted and submitted

The Road to Distinguished

For our Division to achieve the Distinguished designation, we need at least 9 of our 18 clubs to achieve Distinguished status. This is totally achievable. Granted, this takes the backseat in terms of priority of serving the clubs in our areas.

Overall, I see that Talk of the Town and Sturgeon Speakers have 5 goals accomplished

Close with 4 goals, we have Sentry, Sheboygan, NEW AfterHours, Guardian, Wisconsin Rapids

In the hunt, we have the following clubs with 3 goals accomplished....just need to make sure they are achieving their membership goals as well.

- Leading Voices
- Fox Speak

Respectfully Submitted,

Christa Vanderheiden, DL5
