

Registration Frequently Asked Questions About Club Registration

How can I register my club for the Spring Convention?

Register at Eventbrite by clicking here: [D35 2019 Spring Convention Registration](#)

What does the club registration fee pay for?

When you pay the club registration cost of \$100, you are paying for any member of your club (regardless of how many attend) to attend the Spring Convention. Meals and Lodging is not covered in this cost.

Who typically pays the club registration fee?

Typically, a club officer who has the authority to make purchases on behalf of the club will register the club and pay the registration fee.

*Be sure to let your club members know when the club is registered. They will need to have this information when submitting an individual registration form.

When registering my club, do I have to provide a list of all club members attending?

No, you do not need to provide a list of all members attending at the time your club registers.

Is club registration required for my club members to attend?

No, club registration is not required. Club registration offers the best deal for your members if 2 or more members want to attend. If the club does not have funds to pay the cost, individual members can split the cost of the club registration fee and submit a club registration to get the best deal for attending the convention.

Why is club registration open before individual registration?

Club registration was opened first to make it easier for individuals to register. When individual members attempt to register AND their club is already registered, they will not be asked to pay the individual registration fee.

If I register my club, do individual members still need to register?

Yes. Everyone who attends the convention must register to attend. By doing so, they will be given an opportunity to register to attend the lunch awards ceremonies and the dinner banquet and entertainment.

Individual Registration forms ensure we have an accurate head count for name badges, convention programs and promotional items.

When does early bird registration end?

Early bird pricing for registration ends on April 27, 2019. After this date, the fee will increase to \$125.

Can I register the day of the event?

Walk-in registration will be available on the day of the event, but club or individual registration fees must be paid. Promotional items, and meals cannot be guaranteed for walk-in registrations the day of the event.

Do I need to register if I do not plan on attending the lunch or dinner events?

Yes. If attendees choose to forego the lunch or dinner events, a club or individual registration fee is still required along with an Individual Registration form. Individual Registration forms ensure we have an accurate head count for name badges, convention programs and promotional items.
