WHERE LEADERS ARE MADE

The 2019 Toastmasters Spring Convention offers a unique opportunity to market and align your company's brand with a group from the entire state of Wisconsin as well as the Upper Peninsula of Michigan who are focused on developing their communication and leadership skills.

There are numerous opportunities for all organizations, large and small, and you are sure to find an option that fits your organization's marketing strategy. If you have questions or would prefer a customized sponsorship discussion, please contact this year's Convention Chair,
